(iv) Formulations and drug intermediates related to bulk drugs which are de-licensed.

(c) No firm date has been drawn-up.

(d) The last de-licensed list was notified on 12th June, 1985. Details of registration approved under the De-licensing Scheme such as capacity and names of drugs are published regularly by the IIC in their monthly news letter, copies of which are available in the Parliament Libray. Total investment proposed under the de-licensing scheme upto 31.3.87 is Rs. 385.53 crores. Details of production of 87 monitored bulk drugs are published in the Performance Budget of this Ministry, copies of which are available in the Parliament Library. The production of de-licensed bulk drugs is not monitored separately. IIC: (India Investment Centre)

Manufacturing of drugs

76. DR. H. P. SHARMA: Will the Minister of INDUSTRY be pleased to state:

(a) whether it is a fact that a number of drugs are being produced in the country for several years, from penultimate and intermediate states, when the same drugs are being produced in other countries from the basic stages; and

(b) if so, what are the names of these drugs and since when these are being produced from these stages, introducing also the percentage of foreign exchange involved, per unit of production and total amount of foreign exchange that has so far flown out of the country thereby?

THE MINISTER OF STATE IN THE DEPARTMENT OF CHEMICALS AND PETRO-CHEMICALS IN THE MINISTRY OF INDUSTRY (SHRI R. K. JAICHANDRA SINGH): (a) A number of drugs are being produced in the country from penultimate intermediate stages. However, data in regard to their stage of manufacture in other countries is not available in this ministry.

(b) Names of such drugs, which are primarily produced from intermediate/penultimate stages, to the extent available, are indicated in the enclosed Statement. (See below). The other details are not monitored by this Ministry. Moreover, the time and labour involved in collection and compilation of such information is not commensurate with the results likely to be achieved.

Statement

Names of the drugs being produced from intermediate/penultimate stage

Sl. No.	Name of the drug
1.	Amodiaquin
2.	Chloroquin
3.	Clofazimine
4.	Dexamethasone
5.	DEC Citrate
6.	Diphenhydramine Hcl.
7.	Intestopan Subs.
8.	Pheniramine Maleate
9.	Piperazine and Salts
10.	Terbutaline
11.	Vitamin D3
12.	Ethambutol

Unauthorised Production of Drugs

77. DR. H. P. SHARMA: Will the Minister of INDUSTRY be pleased to state:

(a) whether it is a fact that Government have proposed to regularise unauthorised production of formulations and bulk drugs;

(b) if so, whether it is a fact that the proposed regularisation covers hardly 2 per cent bulk drugs, the remaining being the finished formulations; and

(c) what are the names of bulk drugs for which unauthorised production is to be regularised?

THE MINISTER OF STATE IN THE DEPARTMENT OF CHEMICALS AND PETRO-CHEMICALS IN THE MINISTRY OF INDUSTRY (SHRI R. K. JAICHANDRA SINGH): (a) Yes, Sir.

(b) Yes, Sir.

(c) As per available information, the production of bulk drugs listed in the enclosed Statement was considered unauthorised. (See bolw.)

Statement

Sl. No.	*Name of the bulk drug*
1.	Iron Dextran
2.	Dextrans
3.	Ayaluronidase
4.	Liver Concentrate
5.	Diastase
6.	Colloidal Iron
7.	Cinchopham
8.	Phthalyl Sulphacetamide
9.	Nikethamide
10.	Antimony Hexonate
11.	Aluminium Hydroxide Gel
12.	Dichlorohydroxyquinoline
13.	Paracetamol.

Manufacture of exportable drugs

78. SHRI MAHENDRA PRASAD: Will the Minister of INDUSTRY be pleased to state:

(a) whether it is a fact that procedure for grant of manufacturing permission for the exportable drugs has been simplified; if so, what are the details thereof; and

(b) whether delicensing and registration schemes also apply on these drugs?

THE MINISTER OF STATE IN THE DEPARTMENT OF CHEMICALS AND PETRO-CHEMICALS IN THE MINISTRY OF INDUSTRY (SHRI R. K. JAICHANDRA SINGH): (a) and (b) Under the new Drug Policy recently announced, for export production all companies would have total flexibility to produce any product for export within their existing facilities. They need only inform the Government of the details of such production and export. This policy covers all existing facilities whether set-up under licence, DGTD registration or Delicensing Scheme.

Progress of rural electrification

79. SHRI S. S. AHLUWALIA: Will the Minister of ENERGY be pleased to state:

(a) whether it is a fact that in order to accelerate the progress of rural electrification pogramme in the country, it would be essential to supplement thermal energy by non-conventional sources of energy;

(b) whether it is a fact that in some of the States some remarkable work has been done in rural areas by providing electricity through this source;

(c) if so, whether the demand gap for power in rural areas of Bihar has been assessed and how much of it can be mopped up through non-conventional sources of energy; and
